The Mandate of Women's Health in Women's Hands (WHIWH) Community Health Centre is to provide primary healthcare to racialized women from the African, Black, Caribbean, Latin American and South Asian communities in Toronto and surrounding municipalities. We are committed to working from an inclusive feminist, pro-choice, anti-racist, anti-oppression, and multilingual participatory framework in addressing the issue of access to healthcare for our mandated priority populations encompassing gender, gender identity, race, class, violence, sexual orientation, religion, culture, language, disability, immigration status and socio-economic circumstances.

The Centre offers the following opportunity for a professional, motivated and dynamic individual to join the team.

Registered Dietitian **Permanent – (.8) 32 Hours per week**

ACCOUNTABILITIES - KEY

- Perform nutritional assessments, development of client-focussed nutritional plans, health education/counselling and other clinical activities according to the College of Dietitians of Ontario standards of practice.
- Perform community needs assessments and identify barriers to acquiring adequate food and support community initiatives to improve food security.
- Ability to identify nutrition problems, assess nutritional status of patients, develop nutrition care plans and evaluate/monitor effectiveness of nutrition interventions in relation to the management of diabetes.
- Participate in the development, implementation, monitoring and evaluation of treatment, education, counselling and health promotion programs and services for individuals, groups and racialized communities.
- Contribute to chart documentation, participate in chart reviews and case conferences, and make referrals.
- Expertise using adult teaching and learning strategies in developing/delivering group education required.
- Be able to work collaboratively within an interdisciplinary health care team, but also be self-directed and able to work independently.
- Perform other duties as assigned.

QUALIFICATIONS

- Masters degree in dietetics combined with a minimum of 3 years of post-graduate, direct client care experience. Experience in a clinical dietitian role, community-based agency, family

practice or primary health care setting preferred. In good standing with a recognized professional college.

- Current Certified Diabetes Educator certification preferred.
- Work in a manner that incorporates health promotion and strengthens collaborative and interdisciplinary teamwork and incorporates strong conflict resolution skills.
- Ability to prioritize, manage time effectively and be flexible in a very active work environment.
- Contribute to the Centre's activities to collect, analyze and report on data and relevant information from a QI perspective and participate in research.
- Proficiency in the use of computers and various software applications.
- In addition to English, knowledge of a language spoken within one of the four priority communities, an asset.

Women's Health In Women's Hands offers a competitive salary and benefits, along with a multidisciplinary team environment where work-life balance is valued and practiced.
